

The Jell-O Brick Road

In 1997, the LeRoy Historical Society installed a brick walk between the Jell-O Gallery and the front sidewalk. It was named the Jell-O Brick Road. Each year, new bricks are added. Some are memorial bricks, others are family bricks, and some bricks commemorate anniversaries and events. Initially the bricks were engraved by a company in Denver, Colorado which is now out of business. The bricks are now engraved by Weckesser Brick Company in Rochester.

Engraved bricks are \$55 each. Please fill out this order and return to the LeRoy Historical Society PO Box 176, LeRoy NY 14482. Checks are made out to the LeRoy Historical Society. Certificates suitable for framing accompany each brick. If you have any questions call 586-768-7433.

Please print clearly using a maximum of 15 characters per line, including spaces and punctuation.
